

THE OPEN QUESTION

Got questions? We do. Come explore spirituality, faith, and community with us Sunday mornings from 9 to 10 am in the Fireside Room at SWP.

Each week we have a listening or reading from diverse thought and faith leaders like Rebekah Simon-Peter, Marcus Borg, Brené Brown, NT Wright, Sylvia Boorstein, Jerry Hershops, Krista Tippet, Russel Moore, Sharon Salzberg, Richard Rohr, and Jesus.

Participants listen to the teachings on their own before the group meets.

You may find links to the listenings in the E-blast or by contacting John or Debra Beaver below.

We start gatherings with centering prayer, then explore topics by listening to our hearts and each other.

Hope to see you.
